Medallion Signature Guarantee Policy

I. Background

Effective February 24, 1992, the US Securities and Exchange Commission adopted Rule 17Ad-15, which provides for the establishment of signature guarantee programs. Signatures guaranteed under this program ("Medallion Signature Guarantees") provide protection for securities processors who accept requests for transfers and/or sales of securities, by guaranteeing that the signature is genuine, the signer is an appropriate person to endorse, and the signer had the legal capacity to sign. *"Guarantee" means a guarantee of the signature of the person endorsing a certificated security, or originating an instruction to transfer ownership of a security or instructions concerning transfer of securities.* Columbia Stock Transfer Company ("CSTC") requires endorsements to be guaranteed by an "eligible guarantor institution", which includes banks, brokers, dealers, municipal securities dealers, municipal securities brokers, government securities dealers, and government securities brokers, credit unions, national securities exchanges, registered securities associations, clearing agencies, and savings associations.

II. Obtaining a Medallion Signature Guarantee

The Securities Transfer Association, Inc. ("STA") has approved three (3) Medallion Signature Guarantee programs:

1. Securities Transfer Agent Medallion Program ("STAMP"), which includes more than 7,000 US and Canadian financial institutions.
2. Stock Exchange Medallion Program ("SEMP"), which includes the regional stock exchange member firms, and clearing and trust companies.
3. New York Stock Exchange Medallion Signature Program ("MSP"), which includes NYSE member firms.

AST requires all endorsements to be guaranteed by a member of one (1) of these programs, which are located throughout the US.

A. Shareholders located in Canada

Shareholders located in Canada must obtain a Medallion Signature Guarantee from a Canadian Schedule 1 Chartered Bank. The guarantor must affix a stamp bearing the actual words "Signature Guaranteed", a signature, printed full name and an alpha-numeric signing number. Signature guarantees are not accepted from Treasury Branches, Credit Unions or Caisse Populaires unless they are members of the STA approved Medallion Signature Guarantee programs.

B. Shareholders located outside of the US and Canada

If a shareholder is located outside of the US or Canada, the security, book-entry instruction and/or documents that require a Medallion Signature Guarantee can be presented to a local financial institution that has a corresponding US, or Canadian affiliate which is a member of one (1) of the approved Medallion Signature Guarantee programs. The corresponding affiliate will arrange for the signature to be over-guaranteed by the US or Canadian program member.

III. Exceptions to Requiring a Medallion Signature Guarantee

1. For transfers of securities for amounts less than one hundred thousand dollars (\$100,000), AST may waive the Medallion Signature Guarantee and accept an indemnity letter from the issuer of the securities, in the form attached hereto as Exhibit A.
2. The maximum transaction amount covered by a Medallion Signature Guarantee is ten million dollars (\$10,000,000). For transfers of securities in excess of this amount, AST must receive an indemnity letter from the issuer of the securities, in the form attached hereto as Exhibit A.
 - a. A single transaction is considered to be the transfer of securities from one (1) transferor on the same date, regardless of the number of transferees. A single transaction can be broken into multiple, smaller transactions by staggering the dates of the transfers to various transferees.

IV. Proper Endorsements

If the certificated security/stock power/transfer instructions ("Endorsed Documentation") is endorsed by an entity other than the registered owner of the securities being transferred, then such Endorsed Documentation must be supported by the appropriate legal documentation, such as:

1. secretary's certificate or incumbency certificate
2. power of attorney
3. letters testamentary or of administration
4. copy of death certificate
5. inheritance tax waiver
6. trust agreement
